40 Acquisition and grant of sites for the construction of Hostels for students of the Lingayet, Mahratta and Vysia Communities in the Bangalore City.

In their order No 2747-50/Ml 111-15-32 dated 3rd November 1916 Government undertook to acquire and hand over about 2 acres of land for the construction of communal hostels for students in the Bangalore City, to each of the 3 communities, Lingayet, Mahratta and Vaisya, on the leaders of these communities depositing Rs 15,000/- each and executing agreements for the due construction of the buildings

Two of the three communities have now paid the promised contribution, and the other viz , the Vaisya Community may also be expected to deposit their contribution shortly The Inspector General of Education will, in these circumstances, be asked to submit detailed plans and estimates for the hostels and take steps for the acquisition of 6 acres in the locality selected, viz , the land south of the Seshadri Road adjoining Pradhan Siromani Mr T Ananda Rao's Bungalow The land acquired will however be made over only after the prescribed conditions are complied with by the respective communities It is proposed that the cost of the acquisition (roughly about Rs 15,000) should be borne entirely by Government from the sanctioned grants of the budget of the Education Department, and that no further contribution be made towards the cost of buildings

The above proposals which have been accepted by the Members of Council may be approved
